Stacy Road Update

Concrete paving is scheduled for installation on the southern 2 lanes as long as the temperatures are well above the freezing point, even at night. Temperature variations will be the controlling factor on how often concrete paving can be installed. The work will begin at SH5 and will move east toward FM1378. No additional closures are anticipated on the Fairview side during this installation.

Did you know the Town of Fairview keeps a database of storm shelters and safe rooms within our community? We created our voluntary database in case of the unfortunate event of a natural disaster. In such a situation, Town staff would be better equipped to inform emergency services while helping to rescue residents. This would help emergency workers in the event something was to block your door, preventing you from exiting your shelter or safe room. The Town respects your privacy and staff would only use this information in the event of a natural disaster. To join the database, please email your home address and approximate location of your storm shelter or safe room to the Town's new Permit Technician, Simone Doss at sdoss@fairviewtexas.org or 972-562-0522 ext. 5003.

Fairview Youth Theatre

The North Texas Performing Arts (NTPA) family of theatres (Plano Children's Theatre, Fairview Youth Theatre, Frisco Youth Theatre and NTPA Dallas) are dedicated to developing the character of youth through quality performing arts education and family entertainment.

The idea for Plano Children's Theatre (PCT) began 27 years ago during Grace Presbyterian Church's production of *The Wizard of Oz* directed by Sara Akers. When the production was almost over the families asked Sara what they were going to do next because they had such a great time they couldn't imagine not doing another show.

So, Sara, along with three founding board members Rebecca Egelston Caso, Dick Anthony and Lanny Wren got busy developing plans for a permanent theatre home. Their mission was simple: to provide arts opportunities for youth, ages 4-18, which promote life-long learning, creativity, communication skills, teamwork, integrity and good citizenship. And, just a few months later in the Spring of 1992 they had 50 students enrolled in classes and by summer break they had 175 students.

Plano Children's Theatre moved into their home at 15th and Custer in 1994 and renovated their overcrowded space in 2007. But, even before then, parents saw a need for a youth theatre north of Plano; so in 2005 they began renting space for classes and productions in McKinney. However, they wanted a permanent space to call their own, and with the help of the Fairview Economic Development Corporation, Fairview

Photo by Cathy Secrest

Youth Theatre (FVYT) was born. Since officially opening its doors in January 2017 FVYT has seen an enormous increase in the number of students enrolled in their classes, camps and productions and a weekend rarely goes by without a major production being staged on either the mainstage or in the black box theatre and man times both spaces are filled.

2017 was a monumental year for NTPA – the Frisco Youth theatre found rehearsal space of their own, NTPA Dallas staged their first show and the NTPA headquarters & PCT moved to their new space at the Willow Bend Center for the Arts at Willow Bend Mall.

Since 1991, NTPA has welcomed more than 2,000,000 students, patrons, members and sponsors to their family of theatres and they aren't stopping anytime soon – just look what Fairview Youth Theatre has coming up in February.

On stage February 16 - 18 & 22 - 25 is *Heathers, The Musical (High School Edition)* the darkly delicious story of Veronica Sawyer, a brainy, beautiful teenage misfit who hustles her way into the most powerful and ruthless clique at Westerberg High: the Heathers. This show is recommended for audiences 13 years and up.

Little Women, the Musical will take the stage March 1 - 4. Produced nationally and internationally, *Little Women* has been praised by critics for its ambition in adapting such a well-known story for the stage. This timeless, captivating story is brought to life in this glorious musical filled with personal discovery, heartache, hope and everlasting love. The original production starred the unparalleled Sutton Foster, who received Tony, Outer Critics Circle and Drama Desk nominations for her performance.

Upcoming auditions include *Game of Tiaras* (grades 6-12) beginning February 8, *Rodgers & Hammerstein's Cinderella G2K* (grade K-5) beginning February 13 and the Spring Break Production of *Big Bad Wolf* will audition grades 3-6 on March 5.

To purchase tickets or sign up for auditions and classes visit FairviewYouthTheatre.org.

Fairview Town Center Update

Now that the holidays are over the construction in Fairview Town Center will pick back up. The construction of a new park with performance space will be complete by summer. It will be located across from Twisted Root Burger Co. This new space will allow for outdoor performances, concerts and events.

Paula Deen's Family Kitchen will open in March. The 250-seat restaurant, located across from Gloria's, will include a full-scale replica of Deen's kitchen and will sell her merchandise. Southern fried chicken, spare ribs and "Georgia fried catfish" are just some of the delicious items on the menu. Also, set to open in March is Kilarney's Live and Irish pub with a craft kitchen.

Both the Residence Inn by Marriott and the Home2 Suites by Hilton are

open for business. And, the Fairview Nail Spa has relocated and is open next to Twisted Root Burger Co.

Fairview Town Center signage is

also being worked on. The Stacy Road signs are up and sign on the Highway 75 frontage road will be up by April. The signs will be updated as new businesses open.

For updates on events, construction and new business in the shopping center you can go to www.fairviewtowncenter.com/
