## TOWN NEWS

# STACY ROAD UPDATE

The Stacy Road project is moving into the pavement preparation phase for the northern two lanes. This phase will involve a number of intersections that must be poured in phases beginning in early 2017. TxDOT hopes to move traffic over onto the newly completed lanes by April 1, 2017. Once that occurs, they can start the process over again on the Allen side of the street, once again beginning with the underground storm sewer and retaining walls. Two-way traffic will occur on the northern two lanes during the summer and fall of 2017. The outside lane will be wider as TxDOT will widened the outside lane to accommodate cyclists. A sidewalk will go the full distance of the road as well. The sidewalk will be 10 feet wide except where there are restrictions like walls or creek crossings, where there are such restrictions it will be 6 feet wide. Please observe the recommended speed limit signs posted in the construction zones and drive safely.

# Mayor's Note

Happy New Year! I hope that you had a great Christmas with family and friends and that like me, you are planning for a fun and exciting New Year.

In a future edition of the *Fairview Town News* magazine, you will find an article regarding the Town's sale of Noah's Event Center back to the entity that was leasing Noah's from the Town. I often receive questions regarding Noah's, as it was the first public/private partnership where the Town owned the asset. Our agreement allowed the option for the leasing entity to purchase Noah's and the Council recently agreed to exercise that option. Noah's was sold at a profit to the Town with the new owner being 100 percent responsible for any remaining debt.

Our agreement also allows that Noah's can only be used in the future as an Event Center. The net effect of this transaction is that Noah's will continue to provide the same events that have made Noah's Fairview a success to The Village at Fairview, plus the Town ultimately will continue to reap the benefits of having Noah's without owning the facility.

Speaking of the shopping center, as of my penning this note, Lincoln Property Company was under contract to purchase The Village at Fairview, while the transaction had not yet closed, it was scheduled to close very soon. The Town Council has spent time with leadership team from Lincoln and we are very, very excited about the prospective changes that should be coming to the Village. We'll look forward to sharing more soon!

As is always the case, if you have questions, please don't hesitate to reach out to me directly. I can be reached at [dculbertson@fairviewtexas.org](mailto:dculbertson@fairviewtexas.org) or 214-264-1576.

Happy New Year and I'll see you around Town,

Nixle is a digital platform that the Town added in 2013 that allows residents to receive text messages and/or email alerts related to Fairview news, events and other urgent updates. Emergency alerts and advisory notifications can be sent instantly, allowing for immediate and accurate information straight from Town staff during an emergency. The Nixle notification system allows residents to receive the following types of alerts and notifications:

- Emergency Alerts (i.e. tornado warnings, missing persons)
- Advisory Notifications (i.e. road closures, police activity, severe weather)
- Community Notifications (i.e. Town updates, event information)

Residents may sign up by texting the word FAIRVIEW to 888777, or by using the Nixle widget in the “Sign Up For Alerts” column on the far right side of the Town homepage. There is no charge from the town for this service, but message and data rates may apply if you choose to receive alerts through your cell phone or other smart devices. Miss Heard was 80 years old when she saw the need to preserve a place where future generations could experience nature. Today, the Heard's mission of bringing nature and people together is carried out through education, particularly of young people, which emphasizes an appreciation of nature and its conservation. ## Food Delivery... Of Course, There's an App for That!

*By Kelly Wills*

DoorDash Food Delivery is an incredible app for your phone as well as an online food delivery service that is super easy to use and delivers to over 250 cities including Fairview. No more searching for restaurants that will deliver, simply go online to [doordash.com](http://doordash.com) or download the DoorDash app on your phone, enter your address and choose a restaurant.

When choosing a restaurant, you are able to sort by flavors such as Mexican, Sushi, Pizza, Salad and Vegetarian to name a few. Using the app, one can even sort by the fastest delivery time or the amount of the delivery fee; DoorDash's delivery rates range from \$2.99 to \$6.99, plus tip.

After the user chooses their restaurant and places an order, they can sit back and relax as it is delivered to their door. The app even allows the user to follow the progress of their "Dasher" (delivery person) as their meal is delivered.

DoorDash is just another benefit of the new "sharing economy," connecting courteous locals as drivers for your dinner. DoorDash has a goal of bringing food delivery to every corner of the world and now that even includes the Town of Fairview!
