## TOWN NEWS

# Stacy Road Update

The current phase of the Stacy Road improvements on the north side is near completion. In July, the traffic switchover to the north side of the road will occur. Traffic will become two-way on the new northern concrete lanes for the time being.

The next phase will be excavation of the middle and south side of the road as well as the preparation for the two lanes on the south side. This phase will occur over several months, much like the northern half. Road message boards will be posted to notify drivers of the upcoming switch. As always, drive slowly and obey all construction warning and speed signs.

# Fairview Named the Fourth Safest City in Texas

The National Council for Home Safety and Security recently announced in May 2017, their annual Safest Cities in Texas Report for 2017. On this list, the Town of Fairview ranked fourth out of the nearly 1,000 cities and towns found in the State of Texas.

The National Council combined data from the most recent FBI crime reports, population data and their own research to create their rankings. The Town of Fairview received this ranking due to Fairview's extremely low number of property and violent crimes as compared to the Town's population. The rest of the list's Top Five included Heath at #5, Colleyville at #3, Trophy Club at #2 and the city of Kermit at #1.

Fairview is excited to be the highest ranked Collin County municipality on this list as the Dallas-Fort Worth Metroplex and Collin County in particular, continue to boom. The DFW Metroplex is currently the top

metropolitan area in the State of Texas and the fourth largest metro area in the country, just behind Chicago.

Texas has four of the country's 12 most-populated cities: Dallas, Houston, San Antonio and Austin. This concentration of population has helped draw 54 different Fortune 500 companies to move to the state

so far. The second-biggest state in the country, Texas only lags behind Alaska in size and California in population to boot.

Throughout its history, Texas has been ruled by Spain, France and Mexico, and it was also the only U.S. State to be its own independent republic. It's that image of freedom, along with economic opportunities and warm weather that continues to draw people to Texas.

The National Council for Home Safety and Security is a trade association comprised of home security professionals across the United States. The Council advocates for safe communities and home safety with a strong focus on community involvement. Their organization is made up of companies and individuals in the home safety and security industries. Their goal is to further education and public knowledge about home security, home safety, child safety and senior safety at home.

# Profile: Art Show Grand Prize Winner, Jin Lee

Growing up in South Korea, Jin Lee specialized in traditional brush paper paintings made on *Hanji*, a traditional Korean paper made from mulberry trees. She studied *Hanguk-hwa*, a form of Asian art that reflects the identity of Korean contemporary art while utilizing the methods of traditional East Asian paintings. Jin's art focuses on translating an inward subtle view of conflicting human nature using women in surreal as well as everyday surroundings.

Jin studied at Chung-Ang University in Seoul, Korea and graduated with her MFA in 2009. She moved to Dallas shortly afterwards as a newlywed and began raising a family. Jin has found additional inspiration and depth in her art through her experience as a mother and learning the intricacies of American culture.

Jin is extremely honored and thankful for the selection of her painting, *Lady of the Fall*, for the grand prize at the 2017 Fairview Art Show. Devoting time to paint while raising two active boys has been challenging. The Fairview Art Show has encouraged and renewed her passion to focus on her art.

Jin Lee's mixed media work and Fairview Art Show grand prize winner, *Lady of the Fall*, is currently on display in Fairview Town Hall, be sure to stop by to see all the winners! To see more of Jin's art, please visit her page at [facebook.com/JinLeeArtist](https://www.facebook.com/JinLeeArtist).

Fairview Youth Theatre's summer programs are well under way and have provided hundreds of children a place to grow and shine. And FYT's July offerings are no different.

Twenty-three bright young teens have been hard at work creating a show full of murder, guilt and paranoia with their production of *Macbeth*. The show will be held in FYT's black box theatre from July 20 to 23.

As part of a two-week production camp, the musical *Annie, Jr.* will perform July 21 to 29 on the FYT main stage. It will be amazing to see these kids stage a complete production, full of singing and dancing from just two weeks of preparation.

If you having a budding actor or a musical theatre junkie then Fairview Youth Theatre is the place to go. They offer a multitude of camps and productions for all ages and abilities. Purchase show tickets and find detailed information about camps, auditions as well as classes at [FairviewYouthTheatre.org](http://FairviewYouthTheatre.org).

## Actors of Fairview Youth Theatre

Dalton Craft is 14 years old and has performed in several productions with North Texas Performing Arts and in school, as well as in independent films.

"I was four when I started acting but stopped to focus on sports when I was in second grade. It wasn't until I was in sixth grade when I realized I wasn't as happy playing sports, so I went back to theatre and haven't looked back. My mom and teachers say my behavior has improved but I just notice how happy I am. I've found that when I'm on stage I can be who

I really am. I don't have to be quiet or sit still; I can be impulsive. All the things I can't be when I'm at school. But most importantly, I can be different and no one cares."

## Fireworks Prohibition

As you continue having summer fun, please remember the use or possession of fireworks in Fairview is strictly prohibited. The Fairview Police Department enforces this prohibition, issuing citations for violations. Fireworks present hazards to the safety of residents and pets, as well as the natural beauty of the Town.

Many remember the fun and excitement of setting off fireworks as children; however, as parents and guardians, we must also consider the danger fireworks present to children's safety, in order to prevent injury.

Hot Texas summers make for extremely dry conditions, which creates a fire hazard for the Town. Whether a faulty firework ignites an immediate flame or a spent firework casing causes a delayed blaze, things can get out of control very fast, especially in the windy North Texas region. Every year across the nation, huge amounts of property are damaged by fire, all of which could have been prevented. Please help protect yourself, your family and the Town while having a safe and happy Independence Day!

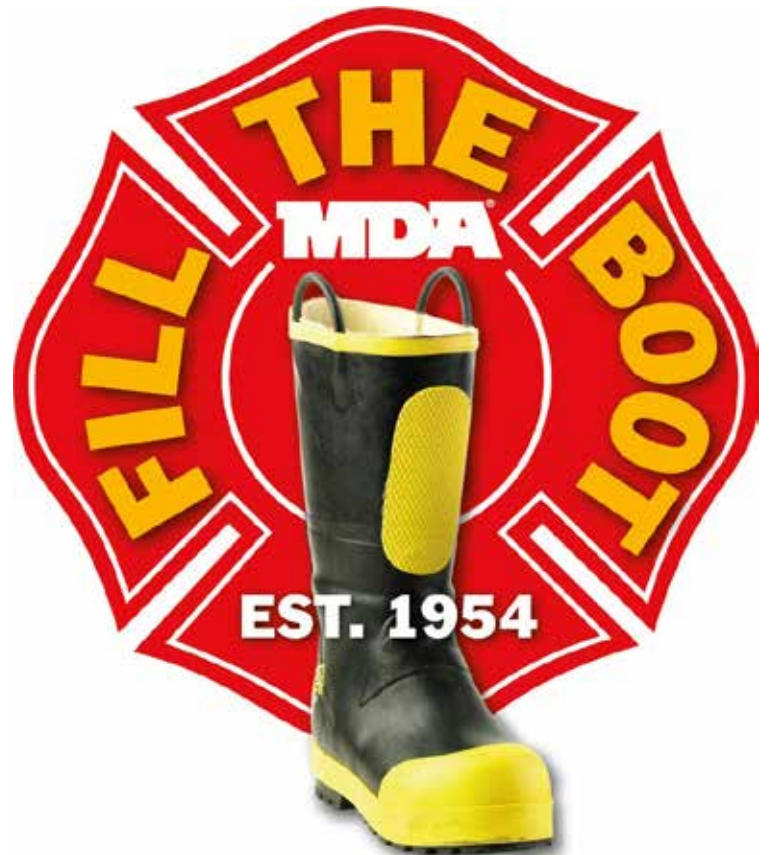

## FFR FILL THE BOOT 2017

In the spring of 2017, Fairview Fire Rescue through the Fairview Professional Firefighters Association Local 5039 once again participated in the "Fill the Boot" campaign to raise money for the Muscular Dystrophy Association (MDA).

Residents may have seen members of FFR out on various days at certain intersections in our Town collecting money for a cure. This year their total earnings was \$6,000. Using this money MDA is able to give affected children a break at camp and fund further research for a potential cure.

Fairview Fire Rescue wants to thank the residents of Fairview for their generous donations.

# Lincoln Rebranding Mall to Fairview Town Center

Fairview Town Center, located at 329 Stacy Road in Fairview, Texas, is now utilizing their new brand and name for all advertising, signage, marketing efforts and promotional programs. The name change reflects a new vision for the shopping center, which is to also become a gathering place for those in the community.

Shoppers can expect the transition to begin immediately. The center, which was purchased by Lincoln Property Company in December 2016, will begin a \$50 million redevelopment this summer.

The renovation will include the removal of part of a building in order to accommodate a new green space, and the addition of another vehicle entrance from Stacy Road into the heart of the center. Improved internal roads will allow better movement and visibility within the center. New clearer signage will also be constructed throughout the mall as well as along Stacy Road and the frontage road of U.S. 75.

Construction is scheduled to begin this summer with most improvements to be completed by November 2017. Some additional work will be completed during spring 2018, after the busy holiday shopping season.

“We are excited to begin the process of transforming Fairview Town Center and serving the shopping needs of northern Collin County,” comments Robert Dozier, Executive Vice President Retail Lincoln Property Company. “We look forward to welcoming new businesses and our loyal shoppers as well as new shoppers to Fairview Town Center.”

Additionally, LPC announced two new retail leases; Blue Lion Salon Suites and F45 Fitness will be joining the center later in 2017. The booming mall will also see the opening of two new hotels in late summer 2017, Residence Inn by Marriot and Home2 Suites by Hilton. Tenants of the new ages 55 and up adult upscale apartment community, Overture Fairview, will begin moving in then as well. In addition, several existing tenants will be moving to new upgraded locations within the center.

Shoppers are encouraged to join the mall’s new email list through the center’s new website, [fairviewtowncenter.com](http://fairviewtowncenter.com) and follow their social media feeds on Facebook, Twitter and Instagram to learn about all the upcoming changes to Fairview Town Center.
